

We would like to thank you for your interest in reserving the party rooms at Spezia. We are proud to offer our guests a classic alternative to a banquet hall or conference room. For business or pleasure, lunch, or dinner...Spezia's private dining rooms will leave a lasting impression.

From small intimate gatherings, boardroom-style corporate dinners, to large holiday or special event parties, Spezia has the perfect space to meet your needs.

We have two choices for rooms:

Our **Patio Room** has a big window facing the main patio, and a private patio for the use of your guests. This room can be used for groups between 20-30 guests.

Our **Wine Room** has original artwork, a wooden bar. The *Wine Room* can be used for groups up to 50. When both rooms are opened up, we can accommodate groups up to 80. It's important to reserve the rooms as soon as possible, they do book fast.

We take a lot of pride and care in personalizing each reservation. Our dedicated staff is happy to help you plan and personalize your event so you and your guests can have an unforgettable experience. We will work with you through the full planning process; from making the reservation, to setting the menu, to setting the table; we will take charge of every detail to make your event a seamless success.

Spezia provides our private diners with warm hospitality and custom menus featuring our finest steaks, seafood & chicken, as well as personalized beverage service. We strive to provide the same service and food you have grown to expect in our restaurant. For groups under 20 guests, we are able to offer our full menu or a limited menu. For groups over 20, a limited menu is suggested. We request you set an appointment so a menu can be discussed.

If you are looking for a staff that cares about providing the best possible service, with the best possible food, Spezia is a great choice. If you do not need a private dining room, and are flexible about the table location, we can simply book your group as a reservation.
